

Edgerton Agricultural Society

July 5-7, 2024

Celebrates 50 years

The first Edgerton Agricultural Society Fair was held in the summer of 1911, on the farm of Alf Challenger where Gordie and Eva Dorland live.

Later, 40 acres of land were purchased east of Edgerton. Here an open building was erected and suitable sheds build, to house the various exhibits.

At a later date the Edgerton Agricultural Society moved its location again. This time to south of Edgerton where the Sports Ground is situated. The main building a structure 20feet by 30 feet was moved to the new location by means of four wagons. After years of service it was torn down. Also after years of interesting fairs the Secretary of Edgerton Agricultural Society, Mr. N. Davidson, received a letter from H. Huxley, Sec. Treas. of The Alberta Agricultural Fair Society, on May 16 1924, giving the Edgerton Society a year's extension, to "pull themselves together and get the local society going again." This must have been done since fairs were held regularly until April 20, 1937 when a notice of Liquidation of the Edgerton Agricultural Society was received.

But, interest in agricultural affairs has been revitalized in Edgerton, for on Tuesday June 26, 1973, at 8:00 o'clock PM., thirty-five citizens attended a public meeting in the Legion Hut to discuss the feasibility of forming an Agricultural Society with the object of building a community hall.

To form such a society, Mr. Park, District Agriculturalist, guest speaker at that meeting, reported that a minimum of fifty members must be signed, at the lowest cost of \$1.00 per membership. Officers and directors were to be elected and appointed.

One hundred nineteen people bought memberships. And at a meeting on December 7th, 1973 in the Legion Hut, a slate of directors and executive were elected. A charter was applied for and received.

Since then two fairs have been conducted, and a building site for the hall purchased. Also, materials, plans and finances are on hand with which the Edgerton Community Hall will be erected.

Presidents Message
2024 Bullarama and Sports Days

On behalf of the Edgerton Agricultural Society, it gives me great pleasure to welcome you to our annual Sports Days and Bullarama. This event is rich in history and tradition with this year marking the 101st edition. It is a living reflection of the life and time around it, rooted in agriculture and volunteer driven. It holds deep cultural, traditional, and emotional connections in our community. Whether you like home crafts and baking exhibits, livestock shows, equine events, baseball games and so much more there is something for everyone!

Since becoming President, I have witnessed year after year the dedication and effort that goes into this event, making sure our weekends activities are as enjoyable as could be for everybody, which is truly an amazing experience.

We are continually striving to make our event the best that it can be. To achieve that, our organization honours the past by focusing on the future. The Society always strives for the Sport's Days weekend to be a place where we can educate and promote agriculture within our community.

The Edgerton Agricultural Society could not continue year after year without the hard work, planning, and the many hours put in by our directors, members, and volunteers. We are forever grateful for the continued financial support from our sponsors and partners. And let's not forget, all the great ideas suggested to us by all our supporters in the community! We thank you for your continued support of our weekend year after year. We could not do it without any of you! Alone we can do so little, but together we can do so much.

So, mark your calendars, grab your family, your friends and even your neighbours and slip on down to Edgerton's Sports Days and Bullarama! We are excited to bring you all the events and excitement and we look forward to seeing you!

Kaylee Waddell
President
Edgerton Agricultural Society
