PRESIDENT'S MESSAGE

On behalf of the Edgerton Agricultural Society, it gives me great pleasure to welcome you to our annual Sports Days and Bullarama. This event is rich in history and tradition with this year marking the 102nd edition. It is a living reflection of the life and time around it, rooted in agriculture and volunteer driven. It holds deep cultural, traditional, and emotional connections in our community.

We are continually striving to make this weekend the best that it can be. To achieve that, our organization honours the past by focusing on the future. Each year, we ensure to add something new to the weekend line up.

Since becoming President, I have witnessed year after year the dedication and effort that goes into this event, making sure our weekends activities are as enjoyable as could be for everybody, which is truly an amazing experience. We could not continue year after year without the hard work, planning, and the many hours put in by our directors, members, and volunteers. We are also forever grateful for the continued financial support from our sponsors and partners.

So, mark your calendars, grab your family, your friends and even your neighbours and slip on down to Edgerton's Sports Days and Bullarama! We are excited to bring you all the events and we look forward to seeing you!

Respectfully,

Kaylee Waddell
President
